DEAL necessity

www.madeinalaska.org/mia Now Upda

One of our goals for 2002 was to consolidate all Made In Alaska da system so that permit holder information on the web would always be now been accomplished due to the hard work of DCED's staff and L All is working fine and as planned. As we make changes in the Mac the database, those changes are immediately reflected in the web s tra handling and are usually available on line within 48 hours after rec

The web site is becoming more and more important as a revenue permit holders. We again encourage you to provide us with a prc each permit in .jpeg file format or an actual photo for inclusion with It costs you nothing and greatly increases the visibility of your place c

CHECK YOUR LISTING ON THE WEB SITE AND LET US KNOW CHANGES. IT JUST TAKE A MINUTE!

All permit holders are automatically listed on the Made In Alaska web issued a permit and remain on the site as long as that permit is active an email address and/or your own web site address on your applicati matically “hot linked” on the Made In Alaska web site allowing visitors tact you or your web site with one click. Check it and make sure it wo

Conference?

The Russian Far East Work- ing Group Conference was held at the Anchorage Sheraton Hotel September 17th - 19th. About 25 Made In Alaska permit holders rented table space and participated in our first effort to sell to conference attendees. Results were mixed. One vendor had a record day in sales...several sold nothing or less than their \$40 booth fee.

The conclusion of those participating was that the idea has much merit providing the conference is more compatible with our efforts than this
